We keep our members in the dark!™

Does the non-stop laughter of the fat lady from that long gone funhouse still echo in your ears? Does the pungent smell of grease and electrical sparks conjure up memories of your first terrifying darkride as a child? Did you find yourself wobbly legged after your first trip through the Noah's Ark? Do you remember the thrill of that first stolen kiss in the old Tunnel Of Love? If any of these spark a memory, then this is the organization for you!

The Darkride and Funhouse Enthusiasts (DAFE) is a joint effort of fans, like you, who share a fascination for darkrides, funhouses, haunted houses and related attractions. DAFE is dedicated to documenting, preserving, promoting and enjoying these attractions.

LEARN PRESERVE ENJOY

LEARN — Join DAFE as we explore the history of dark attractions and amusement parks. At one time, the funhouse and the darkride were staples at amusement parks across the country but they slowly disappeared. Likewise, Laffin' Sal, the haunted house, Noah's Ark, Tunnel of Love, tilt house, haunted swing, mirror maze, and other attractions that were once common have long since been removed from most parks.

PRESERVE — Assist DAFE in an effort to keep the remaining classic attractions open for future generations to enjoy. While there is a renewed interest in darkrides today, the funhouse and other attractions are becoming increasingly rare. The Darkride and Funhouse Enthusiasts are concerned with the loss of those great attractions and feel it is important to visit those that remain and to support the parks and attractions that have retained theirs.

ENJOY — Join fellow DAFE members as we explore attractions, old and new, with behind-the-scenes tours, historic talks and Exclusive Ride Time at our annual events. DAFE plans at least one event during the spring and summer seasons as well as a special Halloween event at a seasonal haunted house.
